MATRIX MARKETS NOTICE TO PARTICIPANTS

Subject(s): Auction Procedures
Effective: March 15, 2018
Supersedes Notice Dated: February 16, 2016

LOOP Auction Procedures

Effective March 15, 2018, LOOP has revised their Auction procedures.

The changes include, "Tank Services Agreement" clause has been amended and clarified and "Auction Participation Limits" has been revised to remove the monthly auction limits for participants. The change to the "Auction Participation Limits" allows a single bidder to bid on all volume offered in a single month or quarter during the auction.
