

MATRIX GLOBAL AUCTION NOTICE

Location: PT OILTANKING KARIMUN

Auction Date: May 20th, 2022

Time: 2:00 Singapore Time

Notice Date: May 9th 2022

Notice

You are invited to participate in an auction for Fuel Oil Storage Capacity on the following terms and conditions:

Storage Location: PT Oiltanking Karimun Indonesia.

Product to be Stored: HSFO / LSFO

Tank Capacity: **154,298 cbm Shell Capacity:**

Tank Configuration: 2 x 65,958 cbm Shell Capacity & 1 x 22,382 cbm Shell Capacity

In case there is availability of a tank with a Shell Capacity size of either 13,540 cbm or another 22,382 cbm, the auction winner will have the option to add this tank to the auctioned 154,298 cbm 7 days after the auction increasing the total auctioned TankCapacity to 167,838 or 176,680 respectively

Minimum Price: **\$1.00 cbm**

Term: Three months, commencing 1st July 2022 and expiring 30th September 2022.

The auction winner shall have the option to extend the period with an additional three months commencing 1st October 2022 and expiring 31st December 2022. The extension option needs to be declared 7 days after the auction.

Auction Process: Auction is subject to Auction Procedures

Special Terms:

1. Tank Capacity will be awarded to the highest bidder.
2. The "Winning Bidder" or "Highest Bidder" will have seven (7) days to execute the storage contract, which will be on terms consistent with the those in the Blending and Storage Agreement, a copy of which is available upon request (or the winning bidder may elect to use the terms of its existing or most Blending and Storage Agreement
3. This Auction Notice will supersede anything to the contrary in the Auction Procedures
4. **Each party that makes a high bid, designated by "Best Bid", during the first minute of the Auction will be entitled to a 20% discount on any amount over the Minimum Price payable by such party**
5. First month payment terms for capacity to be paid seven days after auction

Execution Fee: USD \$0.062 cbm (USD \$0.01 per barrel) per month

Services, Storage and Handling Charges, Auction Procedures and all other relevant information can be sent on request.
